

Credit Card Transactions Shouldn't Slow You Down!

Credit/Debit Card Readers need to be cleaned regularly to remove dirt, oils, and pollutants from causing read failures.

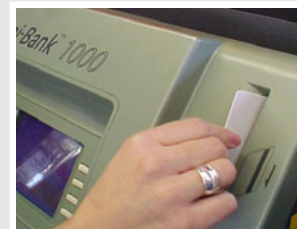

Ideal for emergency cleaning and maintenance for

- **Vending Card Readers**
- **POS Credit/Debit Card Readers**
- **ATM Card Readers**
- **And many more**

Waffletechnology Card Reader Cleaning Cards were designed to clean the entire swipe or dip path inside your card reader. The unique cleaning waffles come in contact with the leading, top and trailing edges of the magnetic read heads. This product removes more dirt insuring that your next credit card swipe does not move left over dirt to the critical read heads within your card reader. Available in boxes of 40 Cleaning Cards

Card Reader Cleaning Cards CR80 are the long standing staple method of cleaning credit card readers. First seen in the marketplace over 20 years ago, this product will clean the top of the magnetic read to increase the reliability of your readers. Available in boxes of 50 Cleaning Cards
